Dual Degree Program in Arts & Science BA Student Application Form

Application Process

Step one: Review <u>Dual Degree in Arts and Science program requirements.</u>

Step two: Meet with an <u>Arts Academic Advisor</u> by May 15 to discuss goals, motivations and suitability in pursuing the Dual Degree program. Complete application form and obtain signature from Arts Academic Advising if you meet eligibility requirements.

Step three: Bring application form to <u>Science Advisor</u> to confirm pre-admission requirements to the Dual Degree.

Step four: Consult Department Advisor of intended Science Major with Proposed Courses to review and sign.

Step five: Bring signed application form to <u>Science Advisor</u> for review. If you meet eligibility requirements, the advisor will sign the form for processing.

Step six: Submit completed form to Arts Academic Advising by July 15.
